

FOR PEDESTRIANS

Embrace walking as a healthy form of transportation—get up, get out and get moving!

Use sidewalks whenever available.

If no sidewalk is available, walk **facing traffic** and as far from traffic as possible.

Cross streets at crosswalks or intersections.

If no crosswalk or intersection is available, locate an area with the best view of traffic.

Follow the rules of the road.
Obey signs and signals.

Avoid alcohol and drugs when walking. They impair your abilities and your judgment.

Watch for cars entering or exiting **driveways**, or backing up in **parking lots**.

FOR MOTORISTS

Yield to pedestrians in crosswalks and stop well back from the crosswalk.

Pay attention when backing up, and look for pedestrians.

Never drive under the influence of alcohol and/or drugs.

Follow the speed limit, especially around people on the street, in school zones and neighborhoods.

Be careful when driving in hard-to-see conditions, such as nighttime or bad weather.

Never pass vehicles stopped at a crosswalk. There may be people crossing where you can't see.

Look out for pedestrians everywhere, at all times.
