

**Speeding** is Dangerous on *all* Roads

***driving faster***

***could lead to***

**DISASTER**

**SPEEDING CATCHES  
UP WITH YOU**

- **Speeding** is *illegal*, and it *endangers everyone* on the road.
- **Speeding** accounts for more than *one-quarter* of all traffic-related **fatalities** nationally.
- When you **speed**, your ability to steer **safely** around another **vehicle**, a hazardous **object**, or an unexpected **curve** is reduced.
- **Speed** also affects your **safety** even when you are driving at the speed limit but **too fast** for road **conditions**. Reduce your **speed** and **drive** to conditions.
