- ✓ Obey school zone speed limits and **follow** your school's drop-off procedure
- ✓ Make eye contact with children who are **crossing** the street
- ✓ Never pass a bus **loading** or **unloading** children
- ✓ The area 10 feet **around** a school bus is the most dangerous for children; **stop** far enough back to **allow** them to safely **enter** and **exit** the bus

Less than 1% of all traffic fatalities involve children on school transportation vehicles. However, children are more at risk when approaching or leaving a school bus.
